Project [REDACTED], Procurement of Land for Transmitting and Receiving Sites

REFERENCE: Memorandum from Assistant Director for Communications to Chief, Administrative Services, dated 18 April 1952

25X1A2g

1. The referenced memorandum requested the purchase of two specific sites for Project [REDACTED]. Due to the opposition the present owner and other groups have imposed on the government's attempt to secure the property described in Paragraph 3, a cancellation of all negotiations for this particular site is requested.

2. Purchase of the property described in Paragraph 2 of the referenced memorandum is requested. This land, which was originally intended for use as the transmitting site, will be used as the receiving site.
